Chairman & CEO CONVIN S.A.

Antonia Alexandrou is the co-founder, President, and CEO of CONVIN S.A. She was born in Athens, and her roots trace back to the Aegean Sea, a place she holds dear. After graduating from Zografio Lyceum, she pursued a degree in Business (Marketing) at the University of Exeter in England. Gaining extensive experience through her roles in various private and public enterprises, she initially worked in the tourism sector upon returning to Greece, later transitioning to the shipping industry.

Her reentry into tourism marked her foray into the conference industry, a field to which she became deeply attached, ultimately deciding to dedicate herself to it. With over 15 years of experience in the industry, she fulfilled her dream of co-founding her own company in 2000. Antonia's extroversion, concern for others, and diligent work ethic have played pivotal roles in leading CONVIN to become a prominent player in the conference tourism sector.
